Dear Parents

As you may know, we were visited by the ISI Inspectors earlier this term to check on our progress following the actions points set in our June 2019 inspection.

The inspectors were delighted to see such excellent progress in those areas deemed to require attention last June and their findings were that the school is now compliant in **all** areas. The report which is also attached with this email now sits alongside the report highlighting our **excellent** grades for the quality of education we provide and the quality of the outcomes for the pupils.

We would like to thank those members of the Board of Governors and the Staff at Terrington Hall who worked so hard to address the issues so quickly as well as the whole Staff for their continuing excellence in the standard of education provided.

Yours sincerely,

Stephen Mulryne and Rodger Hobson
